

DESCRIPTION

This is a solo, classical guitar tremolo arrangement of The Godfather Love Theme. The particular version of the Godfather theme that this arrangement was taken from was actually entitled "Appollonia" in the original Godfather soundtrack. It is the version of the theme that occurs while Michael is consummating his marriage in Sicily and is presented with classical guitar accompaniment and a mandolin playing the melody. It is the only version the The Godfather Theme that is in 6/8 time, making it perfect for a solo, classical guitar tremolo arrangement.
